## PERFORMANCE

Ask your Independent Financial Adviser to show you the figures of Premier Ultra in action. You'll see the kind of results it can produce.

Past performance should not be viewed as an indication of future performance, fund prices may go up and down depending upon investment performance and are not guaranteed. You may get back less than you paid in. All fund performance quoted is net of annual charges. Please note that securities held within a fund may not be denominated in the currency of that fund and, as a result, fund prices may rise and fall purely on account of exchange rate fluctuations.

The rules and regulations made by the Financial Services Authority for the protection of investors will not normally apply to persons resident outside the United Kingdom.

All policyholders will receive the protection of the Life Assurance (Compensation of Policyholders) Regulations 1991 of the Isle of Man, wherever their place of residence.
