Changes to our standard member literature

The item that you are trying to access has been removed from our document library. We have recently undertaken an update to refresh our standard literature, and previous items have either been re-referenced or developed to our new style of member-facing communications.

Advisers should refer to our [literature index](#) where all our items are held. Please speak to your FRIENDS contact if you require further information.

Employers should speak to their adviser or FRIENDS contact as appropriate.

Alternatively, please do not hesitate to contact us:

Phone - 0845 602 9221

Fax – 0845 600 0624

Email – ngp.questions@friendsprovident.co.uk

We hope you find our new literature positive and engaging, and apologise for any inconvenience caused whilst we make this important transition.
